Sport Premium

At Poolsbrook Primary Academy we believe in the importance of leading an active and healthy lifestyle. An exciting and engaging PE and SPORT curriculum is vital in achieving this and we feel that as a school we are working towards ensuring this is put into practise.

In April 2013, the Government announced new funding (Sport Premium) for physical education (PE) and sport to improve the quality and breadth of PE and sport provision at school, for two years.

On 17th July 2017 the Department for Education confirmed that the Primary PE & Sport Premium will double from September 2017.

The purpose of this funding is to support schools in delivering an exciting sports curriculum, and provide a wide range of sporting opportunities to all pupils.

As a school in 2017 we will receive £16000 plus an additional £10 per pupil from years 1-6 to be spent on improving the quality of PE and SPORT at Poolsbrook Primary Academy. This will mean a total amount of £16700.

Our Vision

Our vision is that the implementation of the sport premium funding will further develop the strong ethos of an active and healthy lifestyle. Poolsbrook Primary Academy strives to promote and help us in raising standards of all our children in physical education. We are determined to instil a positive attitude towards sport and a strong sense of team work through offering a diverse range of extra-curricular activities and regular competitions. We strive to implement and maintain an exciting PE and SPORT curriculum in which all our children are actively engaged. We also have an essential commitment to providing opportunities and experiences for the children within the community we serve that will enable them to see the potential they have, through sport, to achieve and excel now and within the future.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>2016-17 School Games Award – Bronze Training of Mini Leaders. Engagement in Competitive Sports within Derbyshire through Chesterfield School Sports Partnership Pastoral Manager’s role to provide sport activities during Breakfast Club has led to 42% of the children attending Breakfast Club regularly and accessing 30 minutes a day physical activity. All children during lunchtime access 30 minutes of physical activity. The school has provided a range of after school sports activities with 63% of the children participating in these clubs. Activities include: New Age Kurling, Dance, Gymnastics, Fencing, Football, Ice Skating, Multi Skills Residential for KS2 have included OAA, biking along the Monsal Trail, Bikeability across the school ensuring that children have developed core stability leading on to be able to ride a bike proficiently</p>	<p>CPD for all teachers to be confident in their delivery of PE (key focus on Gymnastics and Dance). NB new members of staff since last came up as a priority. To provide further range of OAA opportunities for all children to access ie through residential and outdoor pursuits visits. To continue to fully utilize opportunities for all children across school to participate in competitive activities through Chesterfield School Sports Partnership. To provide further support and opportunities who excel in sports and require ‘sponsorship’ to be able to develop their skills further. To achieve ‘Gold’ in School Games Award by ensuring that sports form a key part of the School Improvement Programme (as part of the school’s drive to promote positive life choices and aspirations) amongst the community of Poolsbrook.</p>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p>	<p>75%</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	<p>100%</p>

<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>92%</p>
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>Yes – supplement of swimming to ensure that all children across KS2 access swimming for their time within the Juniors ensuring that swimming skills are practiced and sustained as this is the only time for the majority of our children to swim.</p>

*Schools may wish to provide this information in April, just before the publication deadline.
